EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Applicant's election of Group I, claims 1-11 with step (a) as the elected specie, in the reply filed on 07/03/2007 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

This application is in condition for allowance except for the presence of claims 12-14 directed to inventions non-elected without traverse. Accordingly, claims 12-14 have been cancelled.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-11 with the elected specie a) are allowed based on Applicant's arguments in that the mono nitroxide of formula (A) has three formulae (Ia), (Ib) and (Ic).

The search is further expanded to non-elected specie b) having four formulae (IIa), (IIb), (IIc) and (IIId) with a bis-functional compound of formula C having formula III. However, no prior art has been found.

Furthermore, the search is expanded to non-elected specie c) in that the polynitroxide of formula D having formulae (IVa), (IVb) or (IVc) and the compound of formula (E) having formula (V). However, no prior art has been found.

Therefore, claims 1-11 are in condition for allowance. Then, the claimed stabilized composition of group V, claims 15-17, employed the product produced by the process of group I, will be rejoined and be allowed also.

Claims 1-11 and 15-17 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Truong whose telephone number is 571-272-1081. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Seidleck can be reached on 571-272-1078. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
